

# Please Join Us

**The River Alert and Information Network (RAIN) is a network of 33 water utilities along the Allegheny, Monongahela, and Youghiogheny rivers, and its partners, PA DEP, California University of Pa and Riverside Center for Innovation.**

**RAIN is holding 3 regional events to feature our plans for protection of these vital sources of drinking water through the development of an early warning detection system.**

**Please RSVP for the event most convenient for you at [ab@riversidecenterforinnovation.com](mailto:ab@riversidecenterforinnovation.com) or 412-322-3523. Refreshments will be served after a brief presentation.**

**1:00 pm-3:00 pm  
California University of Pennsylvania  
Eberly Science and Technology Center  
Room 110  
California, PA 15419
