## **“Gimme Green” Documentary Sunday**

Apr 17th, 2009 by BoroAdmin

Enjoy a delicious cuppa joe while watching a free, fun documentary at Jenkintown Java this Sunday April 19. At 11AM see the short (27 min) “Gimme Green.” This award-winning documentary looks at Americans’ obsession with lawns and the effects it has on our environment and lives.

Every year we put more than 30,000 tons of pesticides and 200 gallons of water per person on our lawns, and every day 5,000 acres in this country are converted to lawns. For more information about the movie, how to keep a healthy yard, how to enter Gimme Green’s “Alternative to lawns contest,” and much, much more, visit [gimmegreen.com](http://gimmegreen.com). Can’t make it Sunday and want to see Gimme Green? Please contact Elizabeth Boyd at 215.884.2247 or [elizabeth.boyd@greenjenkintown.org](mailto:elizabeth.boyd@greenjenkintown.org).

This event is funded by The League of Women Voters of Pennsylvania Citizen Education Fund through a Section 319 Federal Clean Water Act grant from the US Environmental Protection Agency administered by the Pennsylvania Department of Environmental Protection.
