

## PROPER DISPOSAL METHOD

If an event is not available, dispose of unwanted medication at home.

1. Black out personal information and name of medication on the drug container.
2. Take prescription drugs out of their original containers.
3. Mix drugs with an undesirable substance, such as cat litter, used coffee grounds, or dirt.
4. Put mixture into a sealable bag or a disposable container with a lid.
5. Place the sealed container with the mixture and the empty drug container **in the trash.**
